Dear Sir:

Response Accompanying Request for Continued Examination (RCE)

After receiving the Notice of Allowance and Fee(s) Due/Notice of Allowability from the United States Patent and Trademark Office (USPTO) dated June 15, 2007 (allowing all claims of the Application), Applicants have become aware of previously unconsidered references that may be, although Applicants make no representation that they are, material to the Application. Applicants desire to have these references considered by the USPTO. Accompanying this Response, Applicants file an RCE and an Information Disclosure Statement (IDS) (and associated PTO-1449 form citing the additional references) to allow the Examiner to consider the references. For the convenience of the Examiner, Applicants include below a listing of all of the current claims of this Application (all of which have been allowed).
